

Make it saucy!

Create your own wedding package. **Burger style.**

FLASHBULB

Photography + Videography

Like it cheesy?

Go rogue, we love crazy!

the baps are out

Caution, may cause extreme drooling.

The *bun*, to hold it all together

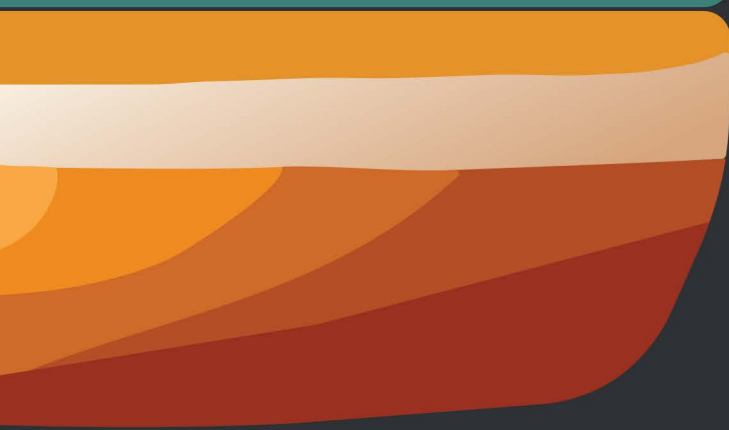

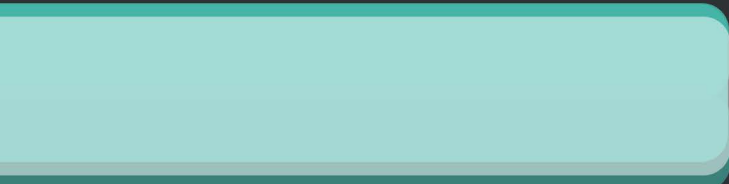

Choose a Videographer
Or a Photographer

How about both?

The patti, big decision

Veggie? Vegan?
Hourly rate or a full day.

3

Like it saucy?
*Add party hours,
coverage until 11pm.*

Salad?
No judgements here.

More cheese?
Prep for other half of couple.

More substance?
Drone aerial location shots.

More speed?
7 day turnaround.

Go rogue, add egg
coz you can have it all.

Need another option?
You name it.

Voila!

That's how we do burgers.

And more uniquely,
wedding packages.

Now, who's hungry?

Photos + Film,
You can have it all.

Included

The duo,

Photography +
Videography.

The day £3195.

All of it.

Photo only.

The day £1895.

Pre wedding +
The photos +
Gallery.

Video only.

The day £1895.

HD Film +
Best bits +
Download.

Pre-wedding - Mini photo session at a location of your choice including the digital images. A great way to break the ice.

The photos - Your high resolution wedding photos, lightly edited in our own warm style.

Gallery - Private online gallery for family/friends with full download facility and a password.

HD Film - Your main film will be around 20-30 minutes. The wedding ceremony, speeches & including the first dance layered with all the candid clips from prep and candid moments with guests. It will be cut cinematically to music and the sound from your day. You'll also get to receive the edited speeches in full too.

Best bits - Wedding highlights film around 3-5 minutes in length.

Download - Videos will be sent with a link that can be shared & downloaded.
